

For Tommy Braslin and Michael Owen!
(to be sent to Joel and via E-mail to them)
or better read over ASAP and sent later

Dear friend,
it took some time before I discovered that Barry Martin's Agent named Katya is working app. 2 hours per week (most of the time spending on datcha) and nobody at Soc. of designers are care about your major capitalists.
So, two weeks ago I insisted on their (Mr. Socovyer, Irene and Katya) meeting at Pushkina square headquarters. Meanwhile I approached soviet bosses of InterCongress and Interservice departments of Sovincenter and they declared that no real arrangements are done. I also talked to Briany and Jane for Barry Martin (they replaced Genie and Rachel) and they express their concern about Katya's activities (or rather in-activities). Then I written a tlx to you about all my discoveries, but she managed to prevent it to be sent. We had a face-to-face talks and I explained to her, that I am responsible for this Event as a major step for co-creation of Soviet-American Relationships. So better go to work, so she started and I care not at all about her emotions. She'll correct them. She's cute.

Let me explain why she cannot do this business on a proper level.

Sunday Sep. 20th. 5:00. Wine testing cruise. Maxim Gorky on Moskva River
all delegates invited.
She calls and rent a ship. It takes 1 minute.

Then she calls and order a food service, it takes another 4 minutes. Then a budget will arrive and you'll pay. In dollars. Thousands.

There is another option: to pay in roubles (I've done it 5 years ago when rented this ship for Michael Murphy and Esalen delegation). Where to get those roubles? As a revenue for tickets sales at Olympic Stadium. "But it is not yet arranged!" (She even did not want to listen to my explanations. "It is not my business!") (It is definitely not her business to think about your money). So what to do? Not to rent a ship now, but first to arrange an Olympic performance. And here you are very slow. And she refused to send my telexes (Yuri gave it to her - about this problem - and she refused. So I was obliged to talk to Joel during photophone exchange with AA-group ^{thus} ~~leaving~~ their time). And Society of designers explained that it is not their business and info cannot be sent via E-mail.

The only way to deal with this for me - is via Jov Videofilm. But no one line about your attention and future cooperation. So why they would bother to send my E-mail about ship-trip on Moskva River?

Trust me, my dear friends, that all elements in your carefully designed programme are in the same situation.

So, what to do? In ship-taste-wine trip it is only a problem of money. But in creating of a convention style show it is a problem of a professional crew of technicians (who are as professional as Katya and equally care about you). Film-crew is different - we can select them and reward better. That's why I use all my suggestive power to explain to you why I so badly need at least one mobile screen rented and brought for Olympic Stadium show.

Then ~~they~~ they'll be faced with a fact and they will be obliged to make a decision: and this is a kind of decision which the only man in Moscow can do, Mr. Boris Eltzin, a party leader of Moscow. And he will invite all honorable guests for his City celebration (Her and Him included).

OK. What will happen if you'll listen to my advices?

Miracles. 25 adorable Soviet children will be chosen by "Pioneer Pravda" (Kid's paper) - they will announce a competition for it. 25 millions of readers and you'll have additional audience of TV-viewers.

OK the best animated pictures film makers will bring their audiences to micky mouse fashion depicting (with special performance

at Sokolniki (amusement park) and
TV coverage for National Programme.
And this - that - there - might - have - been
will be done instantly, and you'll
enjoy a Royal guests treatment. Do you
like it? You are, I bet.

Well, they (Sec. of designers) will bring
25 kids (Trane will do it, no problem,
they will be family members of Soviet
models, Solovjev grand-children, Andreys
sons, Performances will take place
at close hall of Sovincenter without
press coverage, National TV and real
meaning. Well dressed kids are wearing
good cloth, designed by Americans.
So what?).

I hope, Michael will be able to
know my notes before his arrival
to Moscow.

I would be never ever open my mouth
and wrote it for fashion-show directors.
But I believe that you are two
gifted Broadway artists with still
live imagination and skills. So I
want to open for you an option of a
Global Performance for
a Mirror for Humanity. Let's co-
create Humanity together with Cosmic rays,
Evolution, Megatrends and other Galaxies
Love. Joseph.
